PRICING & SERVICES GUIDE

INDIVIDUAL SERVICES

On the following pages, I'll be covering the prices of **some** popular, **individual services**. All of my services can be bought as **one-offs**, so please **get in touch** to learn about any that **aren't** covered here.

KW RESEARCH.

My standard keyword research offering includes a minimum of **100** terms, with search volume, keyword relevance, & CPC bid **metrics**. Can be upgraded to include things like **competitor KW gap** analysis, & more.

PRICE – from £150

CONTENT PLAN.

I can offer you a **bespoke** content plan service, covering anywhere from **3 months** to a **year**. My content plans can include blog topics, KW research, metadata, blog tag structure, & more. Pricing depends on the chosen plan.

PRICE – from £200

CON. OUTLINES.

I can also offer your business content skeletons; a service which provides a detailed SEO outline & guide for individual pages of content. Great for those that want to write content themselves but need a bit of support.

PRICE – £60 per page

BLOG WRITING.

I can offer **one-off** blog / content / article writing services to provide your site with content support. The pure content writing service costs **£60 per blog**, blog writing with SEO support will cost you **£100 per blog**.

PRICE – £80 per blog

PRICING & SERVICES GUIDE

INDIVIDUAL SERVICES

On the following pages, I'll be covering the prices of **some** popular, **individual services**. All of my services can be bought as **one-offs**, so please **get in touch** to learn about any that **aren't** covered here.

ON-PAGE AUDIT.

I can offer you a **full** on-page SEO audit, which examines the current standard of **keyword** optimisation, **EEAT** Content, **UX**, **structural** issues, **TOV**, internal **links**, and overall content **quality**.

PRICE - £300

TECH AUDIT.

I can offer you a **bespoke** technical SEO audit, covering **any number** of technical SEO checkpoints. I cover everything from metadata to site speed, canonicals, redirects, Meta Robots, Imagery, & **more**.

PRICE - from £200

COMPETITORS.

My competitor analysis service takes a look at **any number** of your competitors, analysing several **key SEO metrics** in comparison to your own site's performance. Total price is dependent on the **no.** of competitors.

PRICE - £240

BACKLINK AN.

I can offer you a one-off service of a Backlink Profile Analysis, wherein I perform an audit of your website's existing backlink profile & help you to determine the current standard of this profile & what needs improving.

PRICE - £160

NATHAN WATKINS

PRICING & SERVICES GUIDE

INDIVIDUAL SERVICES CONT.

OPTIMISATION.

My standard on-page optimisation process can be used to look at **one or more** individual pages on your site, with the view of improving **rankings**. I will look at keywords, internal links, TF*IDF terms, EAT Content, & more.

PRICE - from £80 per page

OUTREACH.

As part of a wider Backlink-**acquisition strategy**, I can help you enact an **outreach strategy** in order to raise more backlinks. This is done via **email content writing**, outreach **content generation**, & more.

PRICE - from £300 per month

PROOFREADING.

If you have any pieces of content **already written**, but require a proofreader, I can **provide** this as a service. I can check for grammar, tone, SEO checks, keywords, links, & anything else that **needs** proofing.

PRICE - £20 per page

SEO WIREFRAME.

I can help you plan out the structure, flow, & content of a site from the **ground up** by providing an **SEO Wireframe**. Backed by **industry & SEO research**, these wireframes will make sure your site is set up for success.

PRICE - £60 per page
